

On Wednesday, February 28, 2007, at 12:00 noon, in room 2247 Rayburn, the Subcommittee held an oversight hearing entitled, “9/11 Health Effects: Federal Monitoring and Treatment of Residents and Responders.”

The hearing continued the Committee’s oversight of the federal response to the health impacts of the 9/11 attacks and the federally funded programs that medically monitor and treat individuals who were exposed to the toxins of Ground Zero following the terrorist attacks at the World Trade Center.
